30
years

Children's Hospice South West

Business Club

Working together to support local families

Are you a business looking to do something amazing in these difficult times for a fantastic local charity?

We're looking for 100 companies to be part of this special new network and we'd love you to be among them!

Build connections, raise awareness of your business and, crucially, help make a difference for local children with life-limiting illnesses and their families.

“We are eternally grateful to the team at Children's Hospice South West and everyone who helps to raise money for families like ours.”
